

2010 Season WHS Lacrosse cost sheet

Below you will find the approximate costs of our upcoming lacrosse season with the payment due dates. All payments and booster club dues are on a voluntary basis, and we have tried our best to keep costs and expenses at a manageable level due the economic constraints that today many are facing. However, the booster club is making purchases to support our upcoming season based on projected payments, thus your funds are needed.

All checks to be made payable to: WLBC (Whitewater Lacrosse Booster Club)

Booster Club membership \$300.00

<u>*Payment Due Date</u>	<u>Amount</u>
September 25th	\$75
October 23rd	\$75
November 20th	\$75
December 16th	\$75

* If you need to extend your payments beyond December of 2009, please let the head coaches know and we will gladly work it out. We ask that all fees are paid before the start of the regular season.

Pre-game meals \$100.00

This fee is to be paid separate and is not included in the booster club membership. We provide nutritious pregame meals to our athlete before each scheduled game; if this fee is not collected will not provide a meal to your son or daughter.
